

Certificate

Functional Safety Management

FS Management (TÜV Rheinland)
ISO 26262 Road vehicles — Functional safety
A-FSM 130

Certificate No.

968/A-FSM 130.00/20

Certified Company & Location

Calterah Semiconductor Technology (Shanghai) Co., Ltd.
Room 702 Building E,
666 ShengXia Road, Free Trade Zone,
Shanghai
China

Scope of Certification

ISO 26262-2:2018 (in extracts) Management of functional safety
ISO 26262-4:2018 (in extracts) Product development at the system level
ISO 26262-5:2018 Product development at the hardware level
ISO 26262-8:2018 (in extracts) Supporting processes
ISO 26262-9:2018 (in extracts) ASIL-oriented and safety-oriented analyses

In addition the informative part ISO 26262-11:2018 "Guidelines on application of ISO 26262 to semiconductors" was taken into account for appropriate judgments on compliance with ISO 26262-5.

The Certified Company has successfully demonstrated during an audit process that a Functional Safety Management System has been established.

Maturity Level: Managed

Purpose of the audit is to obtain evidence of compliance with the organizational requirements related to the following aspects, **Management of Functional Safety, Documentation and Safety Lifecycle Phases** according to the Scope of Certification up to and including **Automotive Safety Integrity Level ASIL D**.

This covers **development of radar chips** according to ISO 26262.

The Safety validation according to ISO 26262-4 Clause 8 and Proven in use argument according to ISO 26262-8 Clause 14 are excluded. The lifecycle phases after the production, Part 7 Clause 7 is not covered.

As part of the audit process organizational and informational exchange / supply related to other respective Safety Lifecycle Phases between the Certified Company and its customer is considered.

This FSM Certification only refers to the listed company location and their involved departments, which comply with the organizational FSM requirements for the listed Scope of Certification. It does not replace any kind of product specific Confirmation Measures including product specific audits or assessments.

Validity

This certificate is valid until 2021-03-06
