

Proof of Admission to Examination

Please prove your theoretical education as well as your minimum of one/three/five years of professional experience in the field of IT, law and or software asset and license management.

Proof of personal educational requirements are to be provided in the form of written references, educational certificates and certificates of participation.

Proof of the necessary period of practical professional experience is to be confirmed by your employer with a stamp and a signature. For self-employed candidates contact details of representative reference customers are to be provided. PersCert TÜV reserves the right to check these details with the reference customer.

This document serves the purpose of admission to an examination on software asset and license management. It is to be sent directly to the personnel Certification body PersCert TÜV.
